Looking for a way to surprise a Rosary girl? We can help you send a message directly to her locker. Our balloon shop provides support for our KAIROS retreat program.

Balloon orders must be received at least two days before the event:

1. Complete the information above (please print student's name)
2. Return this **entire** form to the school office, marked "Campus Ministry"
3. Enclose \$4.00 for each balloon [checks payable to *Rosary HS*]
4. Let us know what the occasion is so we can choose an appropriate balloon: we have Happy Birthdays, Congratulations, You Are Special, and many more: _____
5. On the morning of the date you have chosen, the balloon will be tied to her locker and the top of this form will be attached.

Thank you for supporting KAIROS
